Raider Coaches

Left to right: Jim Brown, Ralph Underhill, Bob Grote.

Leading Wright State to its second NCAA tournament is head coach Ralph Underhill and his assistants, Jim Brown and Bob Grote. Underhill is in his first year at the helm after spending six years as an assistant at Tennessee-Chattanooga.

Underhill was instrumental in leading UT-Chattanooga to the NCAA Division II national championship in 1976-77 with a 23-5 record. That came on the heels of a runnerup team in 1975-76 which finished with a 23-9 record.

A graduate of Tennessee Tech and Western Kentucky, Ralph spent one year as the head coach at Louisville Manual High School after a highly-successful stint as head coach at Ohio County High School in Kentucky.

While at Ohio County, Underhill led the team to a 126-30 record from 1965-71 and finished as the state runnerup in 1968-69. His team at Manual High School finished with a 24-6 record and advanced to the state tournament.

A member of the Fellowship of Christian Athletes since his days at Tennessee Tech, Underhill has earned numerous coaching honors since his first job in 1965. He was the Western Kentucky High School Coach of the Year in 1969 and the Louisville Quarterback Club High School Coach of the Year in 1972.

Assisting Underhill in his first year at Wright State is associate coach Jim Brown who is starting his seventh year at Wright State. A graduate of the University of Dayton, Brown came to Wright State in 1970 after a tour of duty in the Army. Among the duties assigned to Brown this season is the coordination of academic standing of the varsity players and coordinating the recruiting for the staff.

Joining Wright State as a part-time coach this year is former WSU all-American Bob Grote. The Cincinnati-native is currently a member of the New York Mets organization in professional baseball. While at Wright State, Grote lettered four times each in basketball and baseball and finished his career as the second all-time leading scorer.

## WSU Top Seed in Great Lakes

First-year coach Ralph Underhill stated his goal at Wright State was to take the Raiders to a national championship game within three years. That was when he was named coach back in April after six years as an assistant at UT-Chattanooga.

The outlook going into the '78-79 campaign was one of guarded optimism. The new coach offered a totally different philosophy of pressing defenses along with a running game which was new at Wright State. Just how well and quickly the team adapted was the big question.

By the end of December, the Raiders had put together an 8-1 record and were off and winging toward a Great Lakes regional tournament bid. After achieving a No. 4 ranking in the Division II poll, injuries started to take their toll and WSU went through a stretch in January, losing four out of five games.

One of the key moves which got the Raiders out of the doldrums was the insertion of Bill Wilson in the starting lineup when Bob Schaefer was suffering with bursitis in his right hip. The 6-2 junior got the call against IUPUI and from that point on averaged over 15 points a game as WSU ran off six straight.

Schaefer ended the regular season as the leading scorer with a 13.9 average and became the all-time career scorer in late December. It was his lowest scoring average since his freshman season, but most of his problems were the result of several nagging injuries.

Another senior, Jimmie Carter, provided the Raiders with consistent scoring all season long. His 13.1 scoring average was second best while his rebound average of 5.2 was a team-high. Many times it was Carter's slam dunks that ignited WSU to rallies.

One of the strong points throughout the season was the backcourt play of sophomore Eddie Crowe, senior Bob Cook and junior Wilson. Crowe, who missed three early season games, averaged 13.0 per game, while Cook had his best season with a 10.2 average and Wilson was at 9.9 to just miss giving the Raiders five players in double figures. Steve Hartings averaged 8.9 while Jeff Bragg added 5.8.

"When this team plays well together, it can play with any Division II team in the country," remarked Underhill. "This team showed a lot of character after the overtime loss at Missouri-St. Louis to come back strong at the end. I was proud of the way the kids battled back from adversity."
